

Issue #41: Corrigendum

An error was made in the editing of the Exhibition Review by J.R. Miller, "Reclaiming History: Ledger Drawings by the Assiniboine Artist Hoiigeeyeesa," which appeared in *Archivaria* 40 (Fall 1995). The term "decorative broach," which appears on p. 242, should read "decorative roach." The General Editor apologizes to Professor Miller for this error.
